AN OPPORTUNITY TO QUALIFY YOUR EXPERIENCE

Get real-world experience in the events industry by participating in this engaging project! Throughout the project, you'll have the opportunity to gather compelling evidence, offering you the chance to earn the SIT30522 Certificate III in Events through our collaboration with Learning Coach College RTO 45570.

This qualification could open up a world of new job opportunities and help you shape your future career in the events industry.

How we will Recognise your Experience

We've teamed up with Learning Coach College RTO 45570 to provide you with the opportunity to certify your Stuffit experience through a tailored Recognition of Prior Learning (RPL) process.

Should you complete the entire student experience, Stuffit Student Enterprises is dedicated to sponsoring your enrolment, covering all associated costs, and providing support in collating your Recognition of Prior Learning (RPL) evidence through our collaboration with Learning Coach College, RTO 45570.

This unique RPL journey begins at the culmination of the 30-week project, acknowledging the wealth of skills, knowledge, and experiences individuals acquire through the Stuffit Experience. Upon full project completion, you'll have the chance to be recognised in the following units of competency;

Core Units

BSBTWK201	Work effectively with others
SITEEVT020	Source and use information on the events industry
SITXWHS005	Participate in safe work practices
SITEEVT022	Provide event production support
SITXCCS014	Provide service to customers
SITXCOM007	Show social and cultural sensitivity

Elective Units

BSBSUS211	Participate in sustainable work practices
SIRXOSM002	Maintain ethical & professional standards when using social media and online platforms.
BSBTEC301	Design and produce business documents
SITEEVT021	Administer event registrations
SITEEVT025	Select event venues and sites
SITXCCS017	Use a computerised booking system
SITXFIN007	Process financial transactions

QCE Points & Pathways

Through gaining this qualification, students may also receive Credit Points towards their QCE and Higher Certificate.

Kindly note: Credit points vary based on each student's unique academic path. It's crucial for students to seek guidance from QCAA regarding their eligibility for this qualification.

This certification can pave the way for advanced studies in project management or event planning, expanding your horizons for future educational pursuits.

The Real World Experience

The project is delivered 9am to 3pm each Wednesday during school terms. Commencing 14th February 2024 and completing 23rd October 2024.

There are opportunities for students to attend external events where attendance will have an educational and networking benefit.

Entry Requirements

Students should be aged between 16 and 19 and have basic computer skills.

How will I attain the Qualification?

During the Stuffit Student Experience, you'll benefit from continuous support to curate a thorough portfolio of evidence spotlighting your newfound knowledge and polished skills in events, project planning, and management.

Upon project completion, we'll take care of your enrollment and cover the costs for you to undertake the Recognition of Prior Learning (RPL) process. With Learning Coach guiding you, you'll leverage your portfolio seamlessly to achieve recognition through Learning Coach's specialised RPL process.

Resource Requirements

Students will require a laptop computer to bring with them, which has the capacity to access the internet and run Google Docs and Canva.

Internet connection will be provided whilst onsite. STUFFit uses Google Docs and Trello for project management.

Qualification Quality & Compliance

Learning Coach is the RTO responsible for the quality and compliance of this nationally recognised Certificate III in Events. Learning Coach is the RTO responsible for issuing any qualifications or Statement of Attainment certificate to eligible learners.
